Minden Youth Champion Of Snowmobile Meet

A 17-year-old Minden youth last Saturday was crowned the Grand Champion at the Central Ontario Snowmobile Meet at the Minden Winter Carnival. Paul Prentice was the overall champion in races against more than 75 other snowmobiles.

The weather for the Carnival was nippy but many turned out to watch or take part in the activities.

Saturday's festivities started off with a parade through the village to the Arena.

Parade winners were: Best Floats - Minden Rod and Gun Club, 1st; Minden Progress, 2nd; Minden Bowl, 3rd; Children's Entries - Minden Boy Scouts, 1st; Bobby Martin of Minden, 2nd; Minden Girl Guides and Brownies, 3rd.

Following the parade William C. Scott, M.P. for Victoria - Haliburton, officially opened the Carnival. On hand for the open-

ing ceremonies were Glen Hodgson, M.P.P., and 17-year-old Bonnie Stevens of Minden, who was crowned Carnival Queen.

The Kawartha Cavaliers Drum Corps entertained spectators after the opening ceremonies, followed by a Minor Hockey Tournament. Runners-up in the Carnival Queen Contest were Adele Coulter of Minden and Sandra Wilkinson of Haliburton.

Winners of other Carnival contests were: Broomball - Jelly Strawberries, 1st; Minden Tree-Toppers, 2nd; Beaver Skinning - Wilfred Ackerblode of Minden, 1st; Basil Stevenson of Minden, 2nd; Tea Making - Glen Sears of Minden, 1st; Ronald Robinson of Minden, 2nd; Lee Bull of Minden, 3rd.

Ken Ardon of Scarborough won the Fish Derby Contest with a six-pound four-ounce lake trout, followed by George Sandras of Scarborough with a four-pound

twelve-ounce lake trout.

The smallest participant in the Fish Derby was six-year-old Michael Stephen of Minden who caught a one-pound three-ounce lake trout.

The winner of the Dressed-up Reeve and Deputy Reeve Contest was Holly Sisson, Deputy Reeve of Dysart Township, and Sheila Nesbitt, Reeve of Stanhope Township, was second.

Minden Man Found Dead

A Minden man was found dead in his car last Friday on the Bob Lake Road, north of Minden. Dead is Mark Snell, 64, of Minden.

Police said a post mortem was performed in Peterborough last Friday afternoon, but no autopsy report was available as yet.

Police said they believed the man died of natural causes, possibly a heart attack.

Minden O.P.P. Constable David Hiltz investigated.

Candidates File Campaign Spending

It will be of interest to the residents of this area to know that the Candidates in the Electoral District of Victoria - Haliburton in the General Provincial Election last October 17th have filed with the Electoral Returning Officer statements of their Election Campaign Receipts and Expenditures, as follows:

John F. Eakins (Liberal) - Receipts \$6,054.36, Expenditures \$654.26.

Mervyn S. Everall (New Democrat Party) - Receipts \$1,622.26, Expenditures \$1,622.26.

R. Glen Hodgson (Progressive Conservative) - Receipts \$11,606.90, Expenditures \$10,701.16.

Rodney Cleaver Wins Ski-doo

The lucky ticket drawn by the Minden Winter Carnival Queen, Miss Bonnie Stevens, at the Minden Skating Arena, at Saturday night made Rodney Cleaver of Coniston the proud owner of a new Ski-Doo.

The Minden Curling Club wishes to congratulate Rodney, and it is our hope that he will enjoy many many hours of fun and relaxation on his new lively Ski-Doo.

Woodville Defeat Huskies 10-2

After winning their first two games in the best four out of seven Central Ontario Junior 'D' semi-final play-off round, the Haliburton Huskies finally ran into a brick wall when they were trounced 10-2 by the Woodville Maroons at the Haliburton Arena on Tuesday night.

Even the Haliburton Legion Band who were in attendance to play music during the two intermissions couldn't seem to get the Huskies moving.

The game was only a few minutes old when all the fans that were present had the feeling that Woodville were going to win this one. The game was practically a must game for the Woodville team who were two games down, and a loss would have placed them in the position of having to come back and win four straight. It was the Maroons' night as they passed and skated like professionals, while the Haliburton Huskies just couldn't seem to get going and they gave Hartin in the Haliburton net very little protection. The defence were particularly weak in covering up in front of the net.

Shaken up by the team's poor performance, the Huskies Coach, Scottie LaRue, gave his team some extra stops and starts fol-

lowing the second period.

The local crowd of 250 had a few things to cheer about, and one was a goal by Jim Allan, the nicest of the evening. In the third period he got a break-away and went in all alone, pulling the Woodville goalie well out of the net and shooting it home.

Fewer penalties were handed out on Tuesday night than in the two previous games.

The fourth game of the series will be played in the Cannington Arena this Friday night.

SUMMARY

1st Period

Woodville - Stephens, Bell, Cotton - 0-31

Haliburton - Larry Sawyer, Scheffee - 1-21

Woodville - Bell, Stephens - 3-01

Woodville - Brown, Stephens - 6-23

Woodville - Chapman - 11-10

Woodville - Chapman, Brown - 11-47

Woodville - Brown, Stephens - 12-00

Woodville - Stephens, Bell - 19-58

2nd Period

Woodville - McKague, McNeily - 4-15

Woodville - Stephens, Bell, Brown - 10-25

3rd Period

Haliburton - Jim Allan - 2-52

Woodville - Bell, Stephens - 12-10

WHAT DYSART COUNCIL DID

Dysart Council held their regular monthly meeting on Monday last with all members present.

Following the reading and the approval of the minutes, General Accounts amounting to \$11,529.54, Road Accounts totalling \$11,437.22 and Relief Accounts amounting to \$1,404.72 were passed. While welfare accounts were up from the corresponding month a year ago, they were down sharply from the previous month when they amounted to \$1,529.69. An official of the Welfare Department was present to discuss the problem of people drifting back here from the cities where the housing problem has become acute. Council are very much concerned with this problem.

In response to a letter from the Haliburton Businessmen's Association, Council have decided to request the Department of Highways to erect guard rails from Lakeshore Marine to the Haliburton Highlands Secondary School.

Mr. Watt, the Department of Highways Principal Engineer, was present at the Council meeting to discuss various matters such as proposed road construction and bridges, and also a much needed garage which will have to be constructed when the new bridge gets underway across the river on Maple Street. The present garage has long since ceased to be adequate to house the ever growing amount of equipment needed to service our roads. It is estimated that the municipality is now servicing over 200 miles of highway.

Two representatives from the Department of Transport, Ottawa were present to discuss with Council the construction of a landing strip for jet aircraft.

These men stated that they had been informed that a ten million dollar hotel was to be erected a short distance from Haliburton and that the said airstrip would be needed to service the hotel. After Council listened to the cost of such a project, which would run in the neighbourhood of two and a half million dollars to say nothing of the cost of upkeep, they decided to await the start on the construction of the hotel before taking any action on the matter. Council feel that air facilities at Carnarvon, Sir Sam's Inn and Hasley Developments will be sufficient for some time to come.

Three members of the Dysart - Stanhope School Area Board,

namely L. Salvatori, Dr. T. Hicks and K. Carnechan, appeared before the Dysart Council on Monday to discuss matters affecting our school system. After listening to their remarks the Council and Board members were agreed that our present school buildings fail to meet the needs required under present day standards. At present our schools are overcrowded, and are costly to operate. In view of the above the members of the School Board consider the erection of a central school necessary, and they requested from the Council a twenty acre site on the Globe Lot, recently acquired from St. George's Anglican Church. Council advised the Board to go over the property and select the site which they considered the most suitable, acquainting them with the fact that they were reserving that portion which borders on Lead Lake as a park site.

A letter was received from Mayor John Eakins of Lindsay stating that the Council of that town was in complete agreement with the citizens of Haliburton in opposing the centralization of railway services in Peterborough.

Final approval has been received from the Department of Municipal Affairs for the giant new Hasley Development on Miskwabi Lake. This will enable those in charge of the new development, which takes in an area that will provide building space for over 600 cottages, to offer for sale cottage lots. It was also revealed at the meeting that the air strip on the new development has been approved by the Department of Transport in Ottawa.

It was stated at Council that a bridge of the culvert type is to be constructed at the Cowling Division situated on Drag Lake.

J. A. McQuarrie, Q.C. of Lindsay, Solicitor for the municipality, was present to aid Council in ascertaining what title the municipality might have to certain portions of property necessary for the construction of what will be known as the Kennaway Road.

(Continued from Page One)

Fifth Game Here

The fifth game of the Central Ontario Junior 'D' O.H.A. Semi-Final Play-offs between Haliburton Huskies and the Woodville Maroons will be played at the Haliburton Arena this Saturday night, February 17 at 8 p.m.

Professional Development Day

Plans for Professional Development Day, Friday, February 16, for the Secondary School Teachers of Kawartha District of the O.S.S.T.F. have been finalized.

Mrs. Elaine Burt, the District 22 Professional Development Chairman, says that the programme this year is the most varied one ever undertaken by this district as each Branch has been made responsible for its own programme.

The programme for the Haliburton Branch is as varied as the District programme. A workshop in English will be carried on in the Haliburton Highlands Secondary School under the direction of Mrs. Gladys Armstrong, Head of the English Department. Mr. A. A. Orr, M.A., the area English Consultant, from Kingston will be present. Reports on Mass Media and English Techniques for four year courses will be given by Miss Jane Misener and Mr. Eric Oakley. There will also be discussion on the theme approach to English. This group will have a special German dinner at Dell Haven Hotel at noon.

Two groups of teachers are attending two of the new colleges of Applied Arts and Technology, one group at Algonquin College, Ottawa and the other at Centennial College, Scarborough. These teachers will tour the colleges and will be addressed by speakers who will explain the aims and objectives of this type of school.

Other teachers from Haliburton

are attending Guidance, Science, and Physical and Health Education Workshops in Peterborough. Some teachers are attending schools in Oshawa, Belleville and Toronto to observe teaching practices in particular subject fields, while others are going to observe techniques in universities and industry.

This year, with each teacher able to study the subject most closely related to his work, it is hoped that the greatest benefit will be obtained by all.

B.A.C. To View Science Film

"The Mystery of Three Clocks" will be shown to the men of the Brotherhood of Anglican Churchmen this Sunday, February 18 at the Corporate Communion and Breakfast meeting which will be held at St. Andrew's Church in West Guilford at 8 a.m.

It is anticipated that the March gathering will be held in the new Parish Hall at St. George's Church, Haliburton.

The film is one of the Moody Institute of Science series which were shown to huge crowds at Expo '67 in the Sermon From Science Pavilion. "The Mystery of Three Clocks" will be screened again on Sunday evening at 8 p.m. at the Haliburton United Church as the third in the complete series being shown for the next two months. The public is cordially invited to this evening showing.

THE ECHO SPORTS PAGE

Huskies Win Opener

Led by Malcolm Maxwell with a three goal effort, the Haliburton Huskies skated to an 8-3 victory over the Woodville Maroons on Friday night last to take the first game of their best four out of seven semi-final play-off series in the Central Ontario Junior 'D' League.

Playing before a crowd of 300 fans at the Haliburton Arena the Huskies, right from the opening faceoff, proved to all present that they had come to play. The local team completely dominated play in the first period, outshooting the opposition by a wide margin while taking a commanding 4-1 lead.

The game was only two minutes old when Neil Hewitt of Haliburton scored an unassisted goal and the Huskies were on their way. About the 11:00 minute mark the locals scored three goals in less than two minutes and it was 4-0. Laird got the only Woodville goal near the end of the period.

Haliburton added two more markers in the second while the Woodville team managed to score once.

In the third period the Haliburton Huskies added two more while holding the Maroons to one goal.

NOTES ON THE GAME

A total of nine penalties were handed down five going to Woodville and four to Haliburton.

The Haliburton defence played an outstanding game by blocking many shots in front of Hartin.

Laird, Stephens and Richardson were the Woodville goal scorers.

Leslie Bain of West Guilford won the Turkey Draw, while Darlene McKnight of Haliburton and Carl Upton of West Guilford tried their luck at the "Shoot-to-Scare" contest.

SUMMARY

1st Period

Haliburton - Neil Hewitt - 1:56

Haliburton - Craig Stamp, Lyle Sawyer - 11:07

Haliburton - Jim Allan - 12:00

Haliburton - Malcolm Maxwell, Larry Sawyer - 13:05

Woodville - Laird, Bell - 17:45

2nd Period

Woodville - Richardson, Bell - 9:27

Haliburton - M. Maxwell, Larry Sawyer, C. Morrison - 16:45

Haliburton - Lyle Sawyer, Craig Stamp, Paul Wilson - 17:41

3rd Period

Woodville - Stephens - 3:10

Haliburton - Craig Stamp, Paul Wilson - 14:30

Haliburton - M. Maxwell, Larry Sawyer, C. Morrison - 15:50

Huskies Win Second Game In Woodville

The Haliburton Huskies took a 2-0 lead in games in the best of seven Central Ontario Junior 'D' O.H.A. semi-final playoff round when they defeated the Woodville Maroons 5-2 at the Cannington Arena on Saturday night last.

It took one hour to play a rough and tumble first period, and at times the penalty box was filled to capacity as the referees were kept busy trying to control the rough play. When the long first period had ended the Haliburton Huskies had grabbed off a 2-0 lead and were on their way to another victory.

At the end of the second period the score was 3-1 in Haliburton's favour and it was 5-2 as the final bell rang.

Larry Sawyer led the Haliburton scoring attack with two goals while single tallies went to Mike

Easton, Craig Stamp and Craig Morrison.

Haliburton forward Malcolm Maxwell was given a one game misconduct for fighting, and the Woodville team came out of the game in tough shape as two of their players were injured and another player was given a one game misconduct penalty for fighting.

A bus and a van were chartered to take the local hockey fans to the game.

If the local team continue to play the same brand of hockey in the upcoming games they should be a cinch to take this first round.

Novice Team Win Over Bobcaygeon

The Haliburton Novices (8 to 10 years) won their first game in the O.M.H.A. Play-offs with a 3-1 outing over Bobcaygeon at the Haliburton Arena on Saturday night. The win gave Haliburton a one game lead in the best two out of three series.

Wade Stamp, Cleve Roberts and Tim Bain were the Haliburton goal scorers.

This Friday night the second game in the series will be played at Bobcaygeon, and if necessary, the third game will be played in Haliburton on Saturday morning.

Coach John Curry of the Haliburton team has warned some of his players that if they don't start scoring some goals he's going to bring out the cure for lazy hockey players.

Support Minor Hockey by coming out to the Haliburton Arena and cheering the Haliburton Novice team on to victory.

Bantams Defeat Fenelon Falls

The Haliburton Bantams, one of the top Minor Hockey League teams in Haliburton, defeated Fenelon Falls 3-1 in the first game of a best two out of three O.M.H.A. Play-off Series in a game played at the Haliburton Arena on Monday night.

Jamie Carroll, John Wilson and Cameron Botting scored the goals for the Haliburton team.

The first period went scoreless, and in the second frame each team scored one goal. Haliburton won the game with two unanswered goals in the final period.

The second game is in Fenelon Falls tonight (Thursday), while the third game, if needed, will be played in the Haliburton Arena this Friday night.

Highland Mixed Bonspiel To Be Played This Weekend

The stage is all set for the 6th Annual Highland Mixed Bonspiel which is scheduled for the Haliburton Curling Rink this coming Friday, Saturday and Sunday, February 16, 17 and 18.

Due to the breakdown in the Minden Curling Club's ice plant, the number of rinks accepted this year has been cut to 24 rather than 32 as in past years. This results in only one local rink being entered.

The 24 rinks participating will be from Brampton, Oshawa, Ajax, Richmond Hill, Willowdale, Lindsay, Apsley, Milton, Bowmanville, Dundas, Don Mills, Whitby, Elora and Haliburton.

The three trophy events include the I.G.A. Trophy, Algar Coach Lines Trophy, and Boice Motor Sales Ltd. Trophy.

The highlight of the bonspiel will come on Saturday night when all the curlers will gather at Bonnie View Inn for a buffet party.

So we say welcome to visiting curlers to the Highland Mixed Bonspiel.

Haliburton Rink Nosed Out

Joe Iles took a rink from the Haliburton Rotary Club last week to a Rotary Bonspiel held in Fenelon Falls.

The team won their three games, only to be beaten out for top honours by Bernie Bell's rink from Fenelon Falls who ended up with a higher score. One of the main reasons for this being that the Bell rink had a 17-2 win in one of their games.

Joe Iles as skip this year has been in three bonspiels and has gone 13 straight games without a loss. The record includes five wins in the Skyline Bonspiel, five wins at Bancroft, and three straight wins at Fenelon Falls.

Answer To Sports Page Letter

On the front page of last week's Echo we printed a Letter to the Editor from Kristine Sisson re hockey coverage and a sports page in the Echo. We are always glad to receive Letters to the Editor whether they be for us or against us. We welcome your letter, Kristine, and possibly we do need to be sharpened up but there's two or three points we have to get across to straighten the records.

Due to the many other duties entailed in the operation of a small town weekly such as ours, it is impossible for us to attend all the hockey games in which Haliburton teams play so we

must rely on the Coaches and Managers of the many local hockey clubs to furnish us with the information on their games. If we do not receive this news we cannot print it.

In relation to the Junior 'D' League Standings this past winter we found that with Lindsay out of the league that the results in the Lindsay papers were quite spotty and at most times not up to date.

As for supporting the Haliburton Huskies, we would like to say that we are right behind the management and team and wish them the best of luck in the Junior 'D' O.H.A. Play-offs.

It's a Comforting Thought.

Survivors' Benefits Become Payable This Month Under The Canada Pension Plan

Starting this month, your Canada Pension Plan pays Survivors' Benefits ...at no extra cost to you. These include a death benefit paid in a lump sum, widows' pensions, disabled widowers' pensions and benefits for dependent children. Benefits become payable to a contributor's survivors in February if he has contributed to the plan for 1966,

1967 and for the required period in 1968. It's a comforting thought to know that your family can rely on the Canada Pension Plan, even if you aren't here to look after them, especially if you have young children. Uncle Dudley's "Bank Inspector Frauds" Column**MY FIRST TERM IN JAIL**

The visit I made to the County Jail at Minden some 75 years ago was a little unusual. It happened in this way.

Mr. R. C. Garrett (nephew of the Garrett who was impoverished by paying fines for getting slaves away from the States by the underground route) was Jail Bailiff etc. for the County, a man well known and liked throughout the area. He was a good friend of our family, and we were invited for a Sunday dinner.

At this time a man from the eastern part of the county was in the Jail, I imagine for shooting a deer out of season or some such minor charge.

It was the duty of the Garretts to see that the inmates were fed. The large plate of fine food prepared by Mr. Garrett (Mamie to all her close friends) was really something. I figured in this case, the way of the transgressor was not very rough.

I was invited to go with Uncle Rueben to give the inmate his dinner. After unlocking the outside door he went down a short corridor, unlocked the barred door to a small cell and brought the man out, gave him a seat by the open door. Giving the man his allowance, he sat down by the open door and had quite a visit with him. I was perched on the threshold of the door with my feet on the street.

As Mr. Garrett was a heavy man, some 260 - 280 pounds, it appeared to me the man could quite easily make off, but evidently he had no intention of such a move.

There was no hurry about departure, and the man enjoyed a good half hour or so respite from his cell. As I remember, some reading material was also brought to him.

I had many questions to ask Uncle Rueben on our return journey. Why this? Why that? I had expected a prisoner would get pretty tough usage, and it seemed to me that this individual was living very very well. "After all" said Mr. Garrett, "all these men are human beings."

This quiet Quaker was a fine man and probably the best known individual in the County. Among his other duties, as there was no ambulance or funeral director service as there is today, was the transportation of the corpse to the cemetery, all gratis.

With his passing quite early in the century, one of the most colourful personages left the community.

"Bank Inspector Frauds" Under Investigation By O.P.P.

Chief Inspector James L. Erskine of the O.P.P. Anti-Rackets Branch reports an early recurrence of "Bank Inspector Frauds" this year.

In the past five weeks many elderly depositors have been swindled out of thousands of dollars at the following locations throughout Southern Ontario: Hespeler, London, Beeton, Dundas, Ingersoll, Barrie, Tottenham, Kingston, Brampton, Brockville, Bradford, Frankford.

One of six frauds reported in the Brampton area resulted in the single loss of \$1,800.00.

In past years, thousands of dollars have been taken from trusting and unsuspecting elderly persons throughout Ontario by a scheme we commonly call "Bank Inspector Frauds". Investigations have indicated that a great number of criminals practice several variations of this scheme. While there have been some arrests, prosecution is very difficult because the "voice on the telephone" cannot be identified, and the "pick-up man" appears only for a few moments at the elderly person's door.

Detective Sergeant Harry Pelz of the Anti-Rackets Branch has been assigned to investigate this scheme that usually operates in the following manner -

BANK INSPECTOR FRAUDS

Any time during banking hours of a weekday, the telephone may ring in an average middle-class home - usually that of an elderly widow. The male caller, in a very business-like and authoritative manner, will identify himself as either a "bank official" or a member of the police department presently investigating a dishonest bank employee suspected of tampering with the customer's account. The caller will then, in a very persuasive tone, obtain from the victim information concerning the amount of money on deposit in her account. He will then request

that she go to the bank and withdraw a substantial sum of money from her account. As part of the scheme, the victim is advised that in making this withdrawal, she will assist in trapping the dishonest employee; she will also be advised not to tell anyone. The caller may offer to pick her up, send a taxi, meet her at a pre-determined rendezvous, or imply that she may have received counterfeit money in a recent withdrawal and he will take and examine it for her. If she expresses doubt that the caller is a police officer or a bank official he will tell her to hang up and call back, however, he will keep her line open by not hanging up and when she dials he will answer accordingly.

Bank Inspectors or Police Officers DO NOT under any circumstances ask persons to withdraw money from the Bank.

Any person approached under these or similar conditions should call their local Police Department on a neighbour's phone.

This scheme has been used with increasing regularity in cities and rural communities across Canada and the United States. Thousands of dollars have been taken from trusting and unsuspecting elderly people, which they can ill afford to lose; in some cases their life savings, and perhaps money they have put aside for their own funeral expenses.

Relatives and friends of elderly people should impress upon them that they should never - under any circumstances - withdraw money from their bank accounts when approached in the manner outlined in this article. They should ALWAYS consult the POLICE, or their BANK MANAGER - PERSONALLY.

Bank employees can also aid in preventing these vicious crimes by bringing to the Manager's attention large withdrawals by our senior citizens.

Comment By R. Glen Hodgson, M.P.P.**\$750,000,000 Building Program At Fourteen Ontario Universities**

At least \$750,000,000 will be spent on construction at Ontario's fourteen provincially supported universities in the next four years.

Health is a big item. Among them, Toronto, Western and McMaster Universities will spend \$136,000,000 on two medical science projects and a teaching hospital.

In a recent editorial the Globe and Mail had this to say about those expenditures: "The most welcome form of Government spending is that which represents an investment in a happier and more prosperous future. In this latter class certainly falls money spent on education and on increasing Canada's medical manpower and facilities. . . This is public investment as it should be made. Planned to meet vital needs, over a period of years. Recognizing priorities. Putting first things first, and in the context of long term planning. Governments which spend in this way merit approval, not condemnation."

York, the fastest growing of the new universities, will undertake a \$45,000,000 building program in this year.

Within an 18 mile radius of Kitchener, more than \$100,000,000 worth of buildings will be built on two campuses. A \$35,000,000 building program is underway or planned at the University of Waterloo and at the University of Guelph the figure is \$55,000,000.

Approximately five and a half million dollars will be spent at St. Jerome College in Kitchener. New buildings at the University of Windsor in this year will

absorb another \$9,000,000.

At Laurentian University, Sudbury, the second phase of a ten year construction program costing \$50,000,000 was begun last March.

At Trent University in Peterborough \$12,276,000 worth of buildings has been under construction.

Carleton University in Ottawa will spend \$12,000,000 on expansion of existing facilities and new buildings in 1968.

Another \$23,000,000 will be spent at the Lakehead University in Port Arthur over three years.

Queen's University in Kingston will spend \$4,566,000 on two new buildings.

At St. Catharines, Brock University has just completed a library tower at a cost of \$4.5 million. Next year will see the expenditure of some \$15,000,000 on additional buildings and services.

Community Colleges**Filling The Gap**

In 1966 only two Community Colleges were in operation in this Province, one in Metropolitan Toronto and one in Sarnia.

In 1937 seventeen Community Colleges have made a spectacular start in closing what the Economic Council of Canada calls a long standing gap in Canadian education - the need for broader post secondary school training outside of universities.

These Colleges of Applied Arts and Technology have a total enrolment of 11,700. The 9,748 men and 1,952 women are attending classes in converted factories, old schools or other improvised quarters. The eighteenth College opened near Kitchener in January 1968.

SUGAR AND SPICE

by Bill Smiley

DR. SMILEY'S REMEDY

Well, the old 'flu bug, or something equally virulent, hit me on the weekend. This column comes to you via gobs of aspirin, hot toddies and sheer will-power.

Sunday morning, I woke up feeling like a mackerel. Not just out of the sea, fresh and quivering. No. One of those that have been gutted, packaged, frozen and then cooked over a hot fire and refrozen and re-cooked.

My wife had several theories, as usual. First, I had a hangover, plain and simple. There's no such thing, but I reminded her that we'd spent the previous evening quietly watching television and fighting as usual. Proof positive came when she offered me a hair of the dog and I recoiled in horror.

Next, she decided I was going through the change of life, with those hot and cold flushes. I pointed out that my breasts hadn't grown, and that I wasn't growing any more hair on head, face or legs, which have always been like an Airedale's. She was discombobulated.

Finally, she proclaimed it was food poisoning, because Kim and I are always thawing fish and stuff and then re-freezing it, for some reason. Obviously I'd had bad fish. Turned out we'd had steak, all fresh.

Couldn't convince her that I might have the 'flu, which has been knocking people on their keisters for weeks at a time around here, all winter. That's because I never get sick. Or rather, I'm half-sick all the time, but never take a day off.

When I do, about every three years, she panics and starts demanding to know where the insurance policies are. I never have a clue, so I just groan and say, "Leemeelone!" Which increases her anxiety problems, which are already Grade A.

Whatever it was, I take back all my public and private utterances about people who've had the 'flu this winter. In public, "Pampering yourself. Take some whiskey and an aspirin." Or, to myself, "What a slacker. Do anything for a few days off work."

I didn't have a headache. I wasn't sick at the stomach. I didn't have a sore throat or the

snuffles or the sneezes. But I haven't felt like that since October, 1944, when five burly Germans set about me with fists, boots and rifle-butts, for some trifling crime which I can't even recall.

And I took the same escape this time that I did that time. I read. That time, after they cooled off, the Germans brought me a couple of books.

But I lay there, in a box-car, on a siding in the Utrecht station yard in Holland, and read Upton Sinclair. Since I was a dangerous criminal, my wrists were wired together, as were my ankles. There were no handcuffs. It took some physical manoeuvring, and I could see out of only one eye, but I read. And the pain floated away.

About the third night, the Feldwebel in charge actually brought me a tin of poisonous coffee and we talked, in a garble of English, German, French. We had only the most rudimentary idea of what the other chap was talking about, but it bucked me up. I think he felt better, too.

It was about the same last weekend. I read. I could read for only about ten minutes at a shot, without half-fainting. But amidst the fever and the cups of coffee proffered by my personal, local Feldwebel, I re-read "The Last Enemy" by Richard Hillary, and the new "And Now Here's Max" by Max Ferguson, CBC and free-lance radio comedian.

Hillary was a young Englishman, Oxford, upper-class, egotistical, self-centred, who realized through his own suffering (he was shot down and terribly burned) man's inhumanity to man, the universality of suffering. It was his only book. He was killed later in a night-fighter. It took me back into a world of training and night-flying, and Spitfires that was like re-living an epoch.

Ferguson's book is consciously funny, but it is funny. And both writers are individualists who offer some hope to all the rest of us, who fear we are being ground between the upper and nether millstones of the twentieth century.

Get the 'flu. Read. Simple.

OBITUARY

FRANCES PEARL GRANT

Mrs. Frances Pearl (Higgins) Grant entered into rest at the Peterborough Civic Hospital on Monday, February 5, 1968, in her 41st year, after an illness of almost four years.

Born at Victoria Harbour, Ontario, on September 26, 1927, she was the loving daughter of Mr. and Mrs. Oliver Higgins of Haliburton. She was the beloved wife of Douglas Grant, Bobcaygeon, and loving mother of William, Robert and Lynn, all of Bobcaygeon.

Mrs. Grant is survived by her parents, Mr. and Mrs. Oliver Higgins, and brother Bruce of Haliburton, brother Howard of Minden, and sister Sheila of Toronto.

She received her education at Midland and Lindsay Public Schools, Lindsay Collegiate and Haliburton High School. She was employed by the Bank of Montreal, Haliburton prior to her marriage. She was married to Douglas Grant on December 8, 1945.

The funeral service was held at the Nesbitt Funeral Parlour, Bobcaygeon at 2:30 p.m. on Wednesday, February 7, 1968. Rev. Reaves of the Presbyterian Church, Bobcaygeon officiated at the service.

Interment was made at Verulam Cemetery, Bobcaygeon.

Floral tributes were many and beautiful. Donations were also made to the Cancer Society by several people.

She was Past President of the Ladies Auxiliary of the Royal Canadian Legion, Bobcaygeon.

The pallbearers were members of the Royal Canadian Legion.

Friends and relatives attended from Georgetown, Willowdale, Greenwood, Sudbury, New York, Lindsay, Toronto, Kinmount, Gooderham, Minden and Haliburton.

Card of Thanks

I wish to express my sincere appreciation to friends, neighbours and relatives for phone calls, cards and visits while I was at Minden Red Cross Hospital. Special thanks to Dr. Koval, the nurses and staff of the hospital. The visits of Mrs. L. W. Schmitt, Red Cross visitor, were much appreciated.

Hugh Kernohan.

I would like to express my sincere thanks to the many friends and relatives who sent cards and gifts during my illness at home and hospital.

Tressa Mason, Eagle Lake.

I wish to thank my friends and neighbours for phone calls, cards and visits, and also the Eagle Lake Women's Society for the lovely flower I received during my recent illness.

Mary Pritchard.

We wish to thank all those who sent flowers and cards of sympathy and other acts of kindness during our recent sad bereavement in the loss of a loving daughter, Frances Pearl (Higgins) Grant.

Oliver and Irene Higgins and Family.

IN MEMORIAM

SCHROTER, Clifford — February 7, 1961.

—Always loved and remembered by Candy and Emily.

HALIBURTON

Mr. Peter Dean, who is teaching school in Sunderland, spent the weekend at his home here.

Mr. and Mrs. Earle Casey were visitors to Kingston on Friday last.

Dr. and Mrs. H. E. Good of Haliburton are at present vacationing in South America.

Mr. Murray Harvie of Oshawa was a recent visitor here.

Practical Christianity

By GLEN R. PITTS

God's Word is plain in telling us that He instituted marriage, family life and the home, but, like many other blessed institutions of God, men have made havoc of the home. We have failed to recognize the home for what it really is, a creation of God. The devil has attacked the home with all the ferocity of a wild beast. No wonder Peter warned us by saying, "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about seeking whom he may devour: whom resist steadfast in the faith." Satan is out to undermine the stability of the home. He knows that the home is the heart of our society.

I wonder what would happen: If Jesus Came To Your House If Jesus came to your house to spend a day or two - If He came unexpectedly, I wonder what you'd do. Oh, I know you'd give your nicest room to such an honoured guest. And all the food you'd serve to Him would be the very best - And you would keep assuring Him you're glad to have Him there; That serving Him in your own home is joy beyond compare. But - when you saw Him coming, would you meet Him at the door With arms outstretched in welcome to your heavenly visitor? Or would you have to change your clothes before you let Him in, Or hide some magazines and put the Bible where they'd been? Would you turn off the radio and hope He hadn't heard, And wish you hadn't uttered that last loud, hasty word?

Would you hide your worldly books and put some hymnbooks out? Could you let Jesus walk right in, or would you rush about? And I wonder - if the Saviour spent a day or two with you - would you go right on doing the things you always do? Would you keep right on saying things you always say? Would you like for you continue as it does from day to day? Would your family conversation keep up its usual pace, And would you find it hard each meal to say a table grace? Would you sing the songs you always sing and read the book, you read, And let Him know the things on which your mind and spirit feed? Would you take Jesus with you everywhere you'd planned to go, Or would you maybe change your plans for just a day or so? Would you be glad to have Him meet your very closest friends, Or would you hope they'd stay away until His visit ends? Would you be glad to have Him stay forever on and on, Or would you sigh with great relief when He at last is gone? It might be interesting to know the things that you would do If Jesus Christ in Person came to spend some time with you. (By Lois Blanchard)

Mothers and Dads, I encourage you to start TODAY with fresh determination and dedication, saying, as did Joshua in Chapter twenty-four and verse fifteen, "... but as for me and my house, we will serve the Lord."

Hart House Glee Club In Concert

The Hart House Glee Club, under the able direction of Mr. Walter Barnes, will be in the Haliburton Highlands to give a concert at the High School on Friday, February 23 at 8:00 o'clock. Let us have a large audience to show our interest and appreciation.

Walter H. Barnes, the genial pipe-smoking conductor of the Hart House Glee Club, has been alternately driving his sports car and his choristers for five seasons, and his lengthy association with the Glee Club has immeasurably enhanced its ability and reputation.

He obtained a degree in Music from the University of Toronto, and during this period undertook the direction of the University of Toronto Chorus. As a result of this, the Chorus was chosen to represent Canada at the International Choral Festival at Lincoln Centre, New York, in 1935. He had also studied under David Willcocks, the eminent English choral conductor at King's College, Cambridge.

Mr. Barnes is not a man to sit

idly by, for when he is not teaching school at Regent Park Public School in downtown Toronto, or playing for the services of St. Bartholomew's Anglican Church, he is developing the talents of the young singers who make up the St. Bart's Choirboys. They have travelled widely, singing in Quebec City, Montreal, Expo, Rideau Hall, Ottawa Cathedral, Kingston, McPhail and many other Ontario centres, and have performed several concerts with the Hart House Glee Club. In his spare time (?) he is also editing the Hart House Glee Club Series of Choral Music arranged for men's voices, which is a new project just recently undertaken. Any "free" time is happily spent on his lately acquired Haliburton Highlands property.

It is not hard to see why the Glee Club values highly the relationship it has had with Mr. Barnes. Not only has the Club made better music under his aegis than ever before, but all the Club members have made a friend of a most fascinating and energetic gentleman.

Women's World Day Of Prayer

is being observed on

Friday March 1 - 1968 at 2.30 p.m.

in the
HALIBURTON UNITED CHURCH
with all Churches participating.

Let us join the Women of the World
in praying for Peace and Unity.

South River Plans Sewage Facilities

Although no immediate pollution problems were found in the Village of South River, a water pollution survey report released by the Ontario Water Resources Commission has reaffirmed that the municipality should continue a program aimed at providing communal sewage treatment facilities.

The report noted the private disposal systems which serve the community of approximately 1,000 persons generally are functioning well, but warned they must be considered "a potential source of pollution", particularly since the majority of them were installed without preliminary approval or final inspection by health authorities.

However, the municipality already has initiated proceedings with the O.W.R.C. to provide adequate sewage facilities to serve present and future development in the village, which is located on Highway 11, approximately 175 miles north of Toronto.

STANHOPE COUNCIL

Minutes of the Council Meeting of the Township of Stanhope held on February 5 and 6, 1968, with all members present.

Moved by William Cowen, seconded by Eric Cross that the minutes of the previous meeting be adopted as read. Carried.

Moved by Elsie Bursey, seconded by William Cowen, be it resolved the Department Engineer be requested to authorize the tendering for the purchase of a road grader. Carried.

Moved by Elsie Bursey, seconded by Eric Cross, be it resolved that we inform Minden Township that we will co-operate in the installation of a boat launching ramp at Little Boshkung Lake. Carried.

Moved by John W. Down, seconded by Elsie Bursey, be it resolved that the Clerk be authorized to write the Lands and Forests Office in Minden requesting information re part of Lot 1, Concession 6, said lot owned by Mr. Ben Sharpe and J. Nesbitt. Carried.

Moved by Eric Cross, seconded by John W. Down, be it resolved

that the Clerk be authorized to write to Keystone Contractors Ltd. informing them that their Highway No. 35 contract is practically all in the Township of Stanhope, at this time of year our rate of unemployment is high, and also we have much heavy equipment available. We, the Council of Stanhope, would welcome any work that could be done at this time to help ease our unemployment problem. Also there are a number of winterized lodges, motels, etc. to take care of the manpower needed to operate a project of this kind. If there is any way this Council could be of any assistance we will be glad to assist, please contact S. G. Nesbitt (Reeve), Box 360, Minden, Phone 150. Carried.

Moved by Elsie Bursey, seconded by John W. Down, be it resolved that the Road Superintendent be instructed to remove the fence on the 15th line between Lots 15 and 16, Concession 3, and to place new pegs on either side of the Third Concession at the north corners. Carried.

Moved by Elsie Bursey, seconded by Eric Cross, be it resolved that this Council send a letter to William Scott, M.P., and a copy to Dysart Council protesting most strongly the proposed curtailment of railway services into Haliburton by the Canadian National Railways, and that Mr. Scott, M.P., be asked to take this matter up with proper authorities. Carried.

Moved by Eric Cross, seconded by William Cowen, be it resolved that the minutes of council meeting be forwarded to the Minden Progress, as well as the Haliburton County Echo. Carried.

Moved by Elsie Bursey, seconded by John W. Down, that the accounts amounting to \$393.40, January relief \$250.00, and Road Voucher No. 1 - \$1,732.41 be allowed for payment. Carried.

By-Law No. 68-5 for the purpose of expending \$50,000.00 under the Highway Improvement Act, By-Law No. 68-6 for the purpose of setting a salary for the Assessor, By-Law No. 68-7 for the purpose of a road extension of \$15,000.00, and By-Law No. 68-8 for the purpose of appointing an Enforcement Officer were all read a first, second and third time and passed.

Motion of Bursey and Down, the meeting adjourned until Friday, March 1 at 10 o'clock a.m. unless called sooner by the Reeve. Carried.

A Question Of Pollution

Is that right man,
That the air
In Haliburton
Is clean and rare?

Of course it is,
It has to be,
We haven't got
A factory.

And pollution
Only comes from these,
You don't get dirt
From lakes and trees."

You're kidding, man,
You're surely square,
People's mouths
Can pollute the air.

They can poison the
Atmosphere of a town
By verbally dragging
Each other down.

When someone does good
It seldom rates mention,
It's scandal and gossip
That holds their attention.

And the ones who work
At this past-time so hard,
Should really be cleaning
Their own backyard.

For man, I dig
That B'tle tome
Which says, "He without sin
Shall cast the first stone."

So think again, man,
And answer with care,
Do you still think you haven't
Pollution up there?

MIC.

Teaches Creative Writing Course

Want to write? We have just the teacher to give you the incentive! Mr. Jack Armstrong has a class at the Haliburton Highlands Secondary School each Tuesday evening, and his main ambition is to instill into the hearts and minds of each of his students the urge and the ability to write long stories short stories, limericks, poems, advertisements, etc. — anything, everything!

Beginning on January 9th Mr. Armstrong found quite an assembly of people from all walks of life in his class, but all with one common desire in mind, obtaining help and professional advice on how to put across on paper those wayward thoughts; putting into readable, likeable and interesting writing what people might like to read.

Classes are continuing for several weeks yet, and if you would like to join up there are still a few seats in the classroom. The one thing Mr. Armstrong is sure of is that out of this class he is sure to have one famous writer. Which of us will it be?

TORY HILL

(Intended for Last Week)
Mr. and Mrs. Norman Forbes of Lakesfield spent the weekend with Mr. and Mrs. Hubert Dunford.

Congratulations to Mr. and Mrs. Lloyd Cully on the arrival of their baby girl.

A number of ladies gathered at the home of Mrs. Ida Bonham on Tuesday evening on the occasion of her 92nd birthday. She was presented with a plant.

Mr. Ross Anderson Sr. spent a few days last week in Toronto.

A speedy recovery to Mrs. Rueben Switzer who underwent surgery on Monday in Toronto. Mrs. Hubert Dunford, Mrs. Stan Brooking and Mrs. Norman Forbes visited with Mr. and Mrs. Davenport at Cambridge and Mr. and Mrs. Glen Powell at Cobecenk.

Pee Wees Win

The Haliburton Pee Wees have taken a one game lead in their play-off round with Bobcaygeon. The Haliburton team, who are in the second round of the O.M.H.A. Play-offs, defeated the Bobcaygeon team 7-5 in a real thriller played at the Haliburton Arena on Monday night.

Bobcaygeon grabbed off a 4-0 lead in the first period while Haliburton counted one goal.

In the second period the local team fought back and picked up two more goals and the score was then 4-3 for Bobcaygeon.

The game ended in a 5-5 tie, as Bobcaygeon scored once and Haliburton scored twice in the final period.

In the overtime period the local Haliburton Pee Wees tallied twice and won by a 7-5 score.

The second game of the best two out of three series will be played at Bobcaygeon tonight (Thursday), and if a third game is needed it will be played in Bobcaygeon on Saturday morning.

Haliburton defeated Fenelon Falls in the first play-off round.

What Dysart Council Did

(Continued on Back Page)

A letter was received from the Ontario Water Resources Commission was read to Council regarding the construction of a sewage and water system in the Village of Haliburton. Council had written to the Commission drawing to their attention that it was now three years since the Council had made application for such services, and owing to the fact that we are a tourist area the danger of our lakes being polluted might have serious consequences. It would appear that before a report is ready regarding this matter it will be no earlier than September. In the meantime, soil drilling operations are taking place at various locations in the village.
